Auto Thefts On The Rise

Crawford County Sheriff Curt Haas reported today that a total of 90 complaints were answered by his department last week, including four stolen vehicle complaints.

Auto and truck thefts are on the rise, according to Haas, and he cautions all residents and visitors to be sure to remove keys from parked cars.

City Police answered an accident call Friday night in front of Bill's Standard when a vehicle slammed into the streetside sign for the station. "Jaws of Life" was brought to the scene by the sheriff's dept. but was not used during the incident.

Eight ambulance runs were made during the week and nine larceny complaints were recorded.

A Reminder on July 4th Celebration

Irv McIsaac, Booster Club President, reminds all residents that the July 4th Celebration will be held on Monday, July 3rd, rather than on the traditional Holiday.

Persons or groups interested in entering a unit or float in the Parade should contact Kim Lovely (348-5083), Ken Montague (348-5676), Jack Hull (348-5141), or Irv McIsaac (348-3366). Make your plans for this year's event accordingly!!!

MEDIVAC Unit Airlifts Injured Cyclists

The Army National Guard's MEDIVAC unit airlifted two injured cyclists by helicopter to Mercy Hospital following an accident near Sharron Road last week.

Charles Rivers, 21, and Curt Hansen, age 18, both of Grayling, both riding separate bikes, were involved in the incident.

MEDIVAC, intercepting a Sheriff's Dept. call for assistance, sent a helicopter to the scene where the injured parties were transported to the hospital. The extent of injuries is unknown.

LMPOA Meeting Saturday, July 1st

The second general membership meeting of the year of the Lake Margrethe Property Owners' Association will be held Saturday, July 1 at 10 a.m. in the St. Francis Episcopal Church Hall.

Directors will meet at 9:00 a.m.

Major items on the general meeting agenda include:

- Lake property assessments
- A public hearing on the proposed construction of a parking lot at Camp Grayling on wetlands adjacent to Lake Margrethe. The meeting has been called by the Michigan Department of Natural Resources at 7 p.m., Wednesday, July 12, in the basement conference room of the Crawford County Court House.
- Election of directors and officers for 1978-1979.

"Mat Rats" Cop Four Firsts

About 180 wrestlers from throughout the state gathered at Cadillac over the weekend to participate in a wrestling tourney, with Grayling participants bringing home four first place awards.

L'Anse DeCrick (65#) and Scott DeCrick (75#) brought home first place honors in their weight divisions. Tim Jensen placed third in the 85# class. Tim Ferrigan (120#) and Joe Ferrigan (135#) copped top honors in their respective weight divisions. Dave Brooks also copped top honors in the 105# class. Darrell Babbitt took a third in the 146# division.

The event was held at Cadillac's Jr. High School. Local wrestlers will head to Traverse City this weekend for an event on the 24th.

Warning

Annual Training will be conducted by units of the Ohio Army National Guard and Air National Guard during the period 21-25 June 1978.

The various ranges located at Camp Grayling will be utilized during this period.

The Air to Ground Range which is located east of Guthrie Lake and north of County Road 612, will be in use during the period 21-24 and 26-30 June 1978.

These ranges will be closed during the above dates and all persons are warned to stay out of these areas.

Housing Survey to be Conducted

The Crawford County Housing Commission will be conducting a Neighborhood/Community Development Survey throughout Crawford County to begin June 22, 1978, ending in August, 1978. This survey will address specific needs and questions which you, as a resident, recognize as problems with your home and in your community.

Data collected will be retained in confidentiality as a viable resource document for future planning of housing and community development needs in your area.

Your cooperation in assisting our canvassers with the requested information would be greatly appreciated. Should you have any questions regarding this survey, please do not hesitate to call the Crawford County Housing Commission at 348-5584.

The canvassers, who are pictured above, are Wayne Metzger, Mark Brooks and Ola Coffman.

ENGINEERS STOP TANK—A tank from the 107th Armored Cavalry was stopped cold in its tracks by men of the 16th Engineer Brigade during a test to see if the engineers could build a barrier that could stop a tank. Buckeyes in Field Training

[By SFC Jerry Condo]

More than 5,000 Ohio Army National Guard men and women fought mock battles, trained hard, and lost a lot of sleep during the first week of their two weeks annual training at Camp Grayling.

The Guardsmen of the Ohio Area Command, the 16th Engineer Brigade, the 112th Medical Brigade, 107th Armored Cavalry, and the 54th Support Center, are attending the summer camp here.

Ohio Adjutant General James C. Clem visited his troops late last week in the field.

Panel bridges were erected during overnight operations, land mines were laid in some simulated training, and tanks and armored personnel carriers were used in field maneuvers.

The week of training was probably highlighted when a tank of the 107th Armored Cavalry challenged the best of the Guard's engineers tank traps - and lost.

This year's summer camp of more than 5,000 troopers represents the largest single Ohio contingent to ever attend a single annual training.

The Ohio Guardsmen arrived here June 10 and will leave June 24.

The field maneuvers in the first week represented an unusual challenge. The troops encountered some overnight temperatures in the low 30's.

A parade that had been scheduled for Friday was cancelled because of rainy weather.

The Guardsmen did some cross training. Commanders in the field reported that morale was exceptional, particularly when there was a lot of hands-on training.

One Guard unit improvised a little in the field. Members of Company C of the 216th Engineer Battalion put together a hot shower system. Despite being miles deep into the Grayling post woods, they got hot showers every day.

Local Gal Getting "Grass-Roots" Look at City Management

Earning College Credits Too

by Joe Schrader

A 21-year-old Central Michigan University Senior and local resident is getting a "grass-roots" look at how city government really works. Donna St. Germain, daughter of Mr. and Mrs. Tom St. Germain of Grayling, is spending nine weeks here this summer in a joint program sponsored by the university and city, earning valuable college credit while at the same time learning, in what amounts to an "internship", what happens on a day-to-day basis in city management.

Donna is working under the supervision of City Manager Jerry Morford and is gaining practical experience to complement her Public Administration curriculum. She will graduate this December. Donna is a 1975 Grayling High School graduate and will earn nine college credits this summer under the intern program.

"It's an opportunity for Donna to get an overview of how city government functions," commented Morford. "She'll be involved in special summer projects and will be assigned special research

work for the city." Special emphasis, according to the City Manager, will be devoted to the study of city ordinances, with an eye toward their possible simplification.

Donna's plans after graduation are uncertain just now. "I'm considering continuing on to get my Masters Degree," she reflected, "but then again if the right job opportunity comes along I'll consider that too."

Part of Donna's educational requirement during the summer, in addition to her work assignments, will be to prepare four papers covering her work, plus a

major report covering her total summer's employment experience. The real objective is to gain practical day-to-day experience in an office atmosphere in the public sector.

And it's apparently important to Donna to gain this exposure since no pay is involved.

Here's a local gal dedicated to her hometown and education spectrum - she's a welcome asset to the city and hopes to enhance her academic background while at the same time broadening her employment parameter through the summer months.

Sen. Davis' Asst. Here June 26th

LANSING, MI. Senate Minority Leader Robert W. Davis will be sending his administrative Assistant, Bill Huber, to Crawford County on Monday, June 26th.

Huber is Davis' District Representative and spends most of his time in northern Michigan - holding office hours. Anyone wishing to discuss opinions on state government, or having a problem which Davis could assist with is welcome to visit with Huber during the scheduled hours. An appointment is not necessary. Huber relays his findings directly to Davis.

Huber's schedule for Monday, June 26, is as follows: 10 to 11:30 a.m. - Office Hours, the Crawford County Courthouse, Courtroom in Grayling.

12 Noon to 1 p.m. - Senior Citizen Nutrition Program, the Grayling Housing Commission, Grayling.

2:30 to 4 p.m. - Office Hours, Frederic Township Hall, Frederic.

Congress Candidate In Area

CHASSELL - Ed Vandette (R-Chassel), candidate for Michigan's 11th Congressional seat, will be in Grayling on Thursday to address the Otsego County Republican Party. He will also meet with area campaign coordinators.

Mr. Vandette is on a tour of the northern Lower Peninsula. He will be addressing the Michigan Realtors Association at Shanty Creek Lodge in Bellaire. Other engagements on this trip are scheduled in Mio, Indian River, Alpena and Engadine.

Lerg Named Interim Superintendent

Crawford County School Board met Monday night and named Paul Lerg, current Business Manager, interim School Superintendent pending the selection of a replacement for Fraser Dean, who will be leaving in mid-July. Applications for the post are currently being received by the Board, with a final selection elected by August 1st. Dean resigned recently to accept a similar

post with the Montrose School System, near Flint.

In other board action, Lerg was authorized to seek bids for installation of lighting at the football field, which, if OK'd will be installed Friday night football to local fans. The Grayling High football squad was forced to play on Saturday afternoons last year because the field's lighting failed to meet State electrical codes. Estimated cost for lighting installation is \$50,000, money which is available from unused funds dating back to 1971. Monies left over from that bond issue involving Building and Light Funds were earmarked for selected uses, one of which included field lighting.

A study recently conducted by Bultendorf-Architects & Engineers over the future

of the Middle School was also reviewed. An estimate of \$1.3 million dollars was suggested by the firm in order to make the school meet habitable and functionally educational requirements. The board is analyzing the survey now - one which is vital to the future of the Middle School facility. Federal funding for this school will be discontinued in 1980 if no action to improve the facility is taken.

So the board's wrestling with the results of the survey - and final action will determine the final fate of Grayling's age-old educational institution.

County Supports Christmas Seals

"The people of Crawford County gave \$1,638 to the Michigan Lung Association this year in its educational efforts to prevent and control lung disease," said Brick Lancaster, MLA's Northwest Regional Board president.

The organization, now celebrating its 70th year of service to the people of Michigan - experienced a 4.3% increase in its state-wide fund-raising efforts.

The year-end tally includes the Christmas Seal contributions, special event dollars (walk-a-thons, howling [See County on page 8])

50th Anniversary Open House

Mr. and Mrs. Stanley Hummel will be honored with an Open House to celebrate their 50th wedding anniversary on Saturday, July 1, 1978 at the Maple Forest Township Hall from 1:00 to 4:00 p.m.

The Open House will be given by the children of Stanley and Ethel and friends are encouraged and welcome to attend.

Immunization Clinic June 26

Monthly Immunization Clinic will be held at the Health Department, Courthouse in Grayling on June 26th from 9 to 11:30 a.m. and 1 to 3 p.m. Measles vaccine will be available.

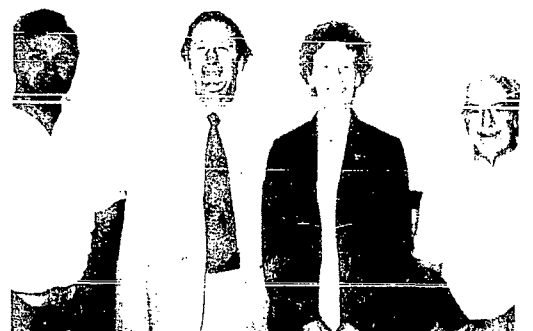

Parent or Guardian must accompany their child.

Bits O' Talk

by Fay Boyce

There is no intention to neglect anyone in my strolls about town, so if I miss, please call me and let me know. The Triangle Motel has a lovely display of flowers on the Business Loop and further in we see new outdoor carpeting and flowers at the Gordon Pond home. The Fraser Deans have planters out on Peninsular as do the Larry Hunters on Chestnut St. Penrod's have planted some of the maples inside their yard fence and the elementary teachers bought another maple for the schoolyard to replace the old oaks that are falling to the windstorms.

The 1981 stock club held their annual summer party at the home of Bill Bedford on Higgins Lake on Thursday evening.

Irene Freeman of Flint is spending a week with her sister and husband, George and Helen Lindbergh at Lake Margrethe.

Bernie and Lois Morningstar are spending several months in the Grayling area with their family and visiting friends.

Mr. and Mrs. George Schwarz, of Clearwater, Fla. spent the weekend of June 10 with his son and wife, Dr. and Mrs. Robert Schwarz. The George Schwarz's are spending the summer in Brighton, MI. The same weekend, John and Lynn Brozo of Constantine and Karen Schwarz of Potosky also came to visit their parents and grandparents.

Mr. and Mrs. Jack Ebit of Big Rapids stopped to visit their cousins, Bruce and Corrine Smith. They had just returned from a conference at Mackinac Island.

Mrs. Bob Clayton of Leslie spent last Wednesday with her mother, Mrs. Don Gothro, and over the weekend, Ted and Karen Carlson and children, of Jenison, MI., came to visit.

It's another grandson for Roger and Lucille Kneff, Lt. and Mrs. Larry Green (nee Lauri Kneff) of Little Rock, Arkansas, had a boy on June 13, 1978. He weighed in at 8 lbs. His paternal grandfather is Sky Green of Dallas, Texas.

Mr. and Mrs. Jack Kaiser, nee Jean Wheeler, of Flint, spent a week recently visiting her sister, Blanche Michelson, at Higgins Lake and his mother, Eveline Kaiser, of Frederic. At the same time that they were here, Mrs. Lynn Popenhagen and daughters, Shana and Lisa, of Chicago spent the week with her parents, the Roger Kneffs.

Recent visitors at the Roger Kneff home were Dewey and Ernestine Coult of Delaware, Ohio. They were enroute to visit her mother in Kalkaska and stopped to renew old acquaintances here where Dewey went to school.

CARD OF THANKS

Our sincere thanks to Dr. Blaha, the Emergency Room Staff at Mercy Hospital, the Ambulance Crew and Frank Nichols, Jr. for their efforts. Sorenson Funeral Home for the helpful services. Rev. Otis Smith for his comforting words, the American Legion and Michigan National Guard for providing the military rites, the Legion Auxiliary for the luncheon following the funeral and friends, neighbors and relatives for the many expressions of sympathy. Your understanding and support has helped immensely at this time.

Addresses for the following Frederic graduates are needed: Ethel Monroe, 1923; Ralph Cline and Mary Bender, 1928; Lillian Cline, 1929; Gladys Manier, 1941; Ernest Nye, 1950; Joan McNitt and Leo Miller, 1952; Richard Darroch and Dick Snell, 1953; Fred Wilson, Laura Hubbard and Gary Kiser, 1963; Ellen Newell, 1965. Anyone having addresses of any of these graduates, please contact Helma Post, Route 1, Box 397, Frederic, MI 49733, phone 348-8361.

Mr. and Mrs. Richard Kage of Washington, Mich. spent a week at their trailer, returning home on Monday.

Mr. and Mrs. Michael Lance and children of Tekonsha were guests of Mr. and Mrs. Jack Kesby and son on Wednesday of last week and also visited Mr. and Mrs. John Kesby of Grayling. George Kesby returned home with them.

Mr. and Mrs. Ralph Sarrault were Sunday dinner guests of Mr. and Mrs. Charles Rivers.

We would like to send our congratulations to Mr. and Mrs. Timothy Kernstock on the birth of a baby boy, Shad Garrett. The little fellow weighed 6 lbs. 9 ozs. at birth. The Kernstocks are former residents of Maple Forest and are now living in Texas.

CARD OF THANKS

I would like to thank Dr. Blaha and all the nurses who took such wonderful care of me while I was in the hospital; also, Rev. Spencer, Rev. Frye, Father Louis, Father Dawson and Sister Cecelia for their visits and prayers and all my friends and relatives for cards, gifts, visits and good wishes. I thank you all.

From Our Corner....

There are two mistakes that crop up every now and then that we worry about in every issue ... that of spelling a person's name wrong, and designation of an office or title well. The ink was not even dry on last week's issue when we had a call on a mistake we made (and on the front page), about the latter.

Seems as how we had the story on the candidates for Board of Commissioners and Road Commission alright, except, we put an R after Gloria Kraus' name instead of D. Mrs. Kraus is running on the Democratic ticket against LeRoy Mink in the primary for the Road Board. Glenn Sawyer is unopposed on the Republican side for the same seat. We are sorry for any confusion we may have caused.

While we are on the subject of the upcoming election ... and knowing there will possibly be letters to the Editor concerning such, we are once again going to pass on the ground rules for such letters.

First of all, all letters must be signed in the writers hand writing. By doing this you are not wasting your time as well as ours. We do not even consider one not signed. Keep the letters around 200 words, or those we use may be edited. Letters may not be used as an advertising tool ... they are for you to state your opinion on a certain subject. Besides signing the letter, we must have your mailing address and phone number so we may check on its validity. Letters received on Monday and Tuesday will most likely be held until the following week.

Finally, contents of letters to the editor do not necessarily reflect the thoughts and wishes of the Avalanche or staff.

We have got to throw this little gem into our corner ... it appeared in "Capitol Capsules" by Representative Ralph Ostling, AFRICAN BILL—Now before the house is HB 6341, which would prohibit Michigan colleges and universities from investing in corporations that do business in South Africa. Opponents argue that since this includes so many companies, it will be hard to find good investments.

All we ask is will someone tell us how come our colleges and universities have money left over to invest, when our high schools all over the state go begging for money, and besides South Africa to boot.

We must be in that time of year when all the worms and grubs come crawling out of their holes. We felt the work of the morons against the tennis court fence was a disgrace to mankind ... now we have another one to pass on ... this one was done by evidently patriotic persons ... something (and that is all they are), decided to steal three American flags from the top of the B & W Foodland Super Market. Sometimes you have to wonder if it's worth it ... with characters like this roaming our streets.

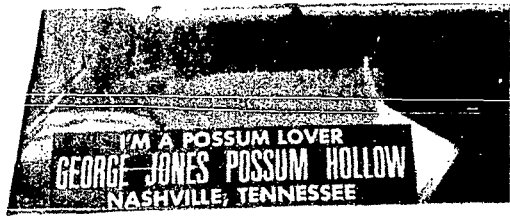

We understand there is a friendly butcher at the Foodland who may be arriving for work in a chauffeured limousine any day now. Seems as he has a little cabbage patch up in the northern part of the county, and just the other day one of those rigs you see happened upon a pot of that black gold. When you see Bill next, say sir ... he may be Grayling's answer to the Beverly Hillsites.

What's this we hear about the County - City clashing ... stopping the shelter project in our City Park, being constructed through the combined efforts of the Booster Club and City?

Not to disappoint any of our readers ... we just want to say you will have to wait until next week to find out how we spent Fathers Day.

Who is Grayling's Opossum Lover ... the sign below adorns the only Scout tower in Grayling ... it just so happens to be painted green with shamrocks on either side ... Leprechauns will do most anything to draw attention ...

Have a nice weekend ... we understand Fred Girard had a nice one last week, and found out how the rest of the people live, other than in the concrete jungle.

She was accompanied by her son and wife, Mr. and Mrs. Lorne Douglas, who spent the weekend with Mrs. Douglas' sister, Mrs. Ethel Wood and family. They brought with them also as their guests, Mr. and Mrs. Fred Baum.

Richard Lovely spent the weekend in McMillan.

Mrs. Axel E. Michelson of Detroit spent the weekend at her summer home on Lake Margrethe.

E. H. Gierke is driving a new Ford V-8 purchased of Burke Sales and Service.

A small blaze at the home of John B. Stephan called out the fire department Tuesday evening. However, the fire was extinguished before much damage was done.

Mrs. Elizabeth Foley is enjoying as guests, her daughters, Mrs. Eugene McGovern of Detroit and Mrs. Matilda Bishop and son, Douglas, of Cleveland, Ohio.

Mrs. LeRoy Rosevear, two daughters and son, Elaine, Edith and Ray, and a nephew, Lorane McDonald, all of Beaverton, were guests of Mrs. Rosevear's sister - in-law, Mrs. Blanche Houghton last Sunday. All four young people are members of the Beaverton High School band and took part in the gathering held here that day.

Mr. and Mrs. Fred R. Welsh enjoyed a motor trip to Escanaba and other points of interest in the U. P. from Wednesday through Saturday. They called on Rev. and Mrs. J. W. Greenwood at Norway and had a pleasant visit with them.

Mr. and Mrs. Halford Kittelman and daughter, Kathryn Ann, of Chicago are visiting her mother, Mrs. H. W. Wolff, at Wolff's Den on Lake Margrethe.

69 YEARS AGO July 1, 1909

Leelar Clark and Dessa Gondrow are home from their week's visit in West Branch.

Miss Laura London closed a successful term of school in the Wakeley district last Friday.

Floyd Taylor left Friday for Big Rapids, where he will attend the Ferris Institute for the summer.

Grayling's baseball team went to Cheboygan Sunday and trounced the boys of that city to the tune of 7-2.

Miss Eleanor Woodfield, who has been in Grand Rapids for the past year studying for the profession of nurse, is home for a vacation, welcome not only in the home but by hosts of her young schoolmates and her friends.

Dr. Jas. A. Leighton is permanently established at Frederic for the practice of medicine and will open a drug store in that village, anticipating success from his large acquaintance in this and Otsego County.

Six cars of the Lewiston train were ditched two miles north of Clear Lake Junction last Saturday. The Johannesburg train backed up to the wreck and brought in the passengers, baggage, and mail. No one seriously hurt. The engine and four cars passed over the spot before the break.

The Avalanche — Your Want Ad Paper

"Make sure your car insurance protects you in 'no-fault' states."

"If you're planning on a long trip by car, chances are, you'll be driving through states with 'no-fault' insurance laws."

"If you're covered by an Auto-Owners policy, you can relax. Auto-Owners provides protection automatically under its bodily injury and property damage liability coverage in 'no-fault' states."

"This kind of far-sighted protection is just one of the reasons we recommend Auto-Owners Insurance to the people we serve."

Auto-Owners Insurance
is for auto owners, too.

The Bible Speaks

From Calvary Baptist Church

Propheied Fall of Political and Commercial Babylon

Revelation 18:1-8

Ancient Babylon developed both a religious system and a political - commercial system. The great idol on the plain of Dura symbolized her development of religion, just as King Nebuchadnezzar symbolized her coming world power in the political and economic realms. Daniel 3. As we already studied religious Babylon in chapter 17, we shall now study political and commercial Babylon in chapter 18.

1. The announcement of judgment, verses 1-3. "Another angel" from heaven means another of the same kind. It simply means the source of this announcement is a different angel than the one speaking in chapter 17. Verse 2 gives us a general description of the fall. The political and commercial systems of this world will one day be inhabited by fallen demons. What a contrast to the dreams of those who believe world government can bring utopia. The reason for destroying political and commercial Babylon is given in verse 3. This system of Satan will have reached "all nations" and gained control of "the kings" or political system and "the mer-

chants" or commercial system of the earth. In our age it appears the political system most dominated by Satan is atheistic communism, and the economic system is creeping socialism.

2. Avoidance of Judgment, verses 4, 5. God's clear warning to His people is: "Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues." God's answer to all sinful associations is always SEPARATE. Our choice is separate or suffer judgment.

This is true of religious systems also: "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? And what agreement hath the temple of God with idols? . . . Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing, and I will receive you." II Cor. 6:14-17.

3. Accusation for Judgment, verses 6-8. Babylon's judgment shall be double the punishment she will have brought upon God's people. Verse 6. Her judgment shall be in proportion to her self-exaltation and glorification. Verse 7. "Therefore shall her plagues come in one day, death, and mourning, and famine: and she shall be utterly burned with fire: for strong is the Lord God who judgeth her." Verse 8.

lication. Verse 7. "Therefore shall her plagues come in one day, death, and mourning, and famine: and she shall be utterly burned with fire: for strong is the Lord God who judgeth her." Verse 8.

Someday God will correct all religious, political and economic systems upon this earth. Until then Christians had better be found on the right side. (adv.) Pastor Barnett

Par For The Course

by Fay Bovee

The weather has been temperamental this May and June and probably some of the ladies will tell you that their golf has been the same, but the weather has cooperated with the Wednesday morning league and another Wednesday afternoon event and beautiful. About 37 ladies showed up for golf and were in front of A. Corrine Smith, sharp in good form with a few gross of 44 and let putts of 12. Mary Peterson took low putt with a 3rd. There were three putts with Mary putting one in on number one. Shirley Bunkle putted one in on number 2 and Fay Bovee putted one in on number 3. In front of Kay Ellen Smith took low gross of 59 and Marian Joseph and JoAnn Olsen tied for 64th of 26. With Joyce Sorenson putting a hole in 11 putts. In front of Doris Harland had 57 strokes for low gross. Edie Blaha had a low net of 35 and Peri Griffin, another newcomer dropped in 16 putts.

It was petting each other in front of B. Bunkle and a delicious luncheon.

In a business meeting following the lunch, the auxiliary by-laws were adopted as revised.

In another beautiful evening to play golf, 30 ladies of the Monday night league gathered Monday, June 19. Low came in the evening was Gloria Nelson on holes one, four and nine and high game went to Judy Mesack on the six and eight. Gloria also had low putts of 16 and Jean Shirley and Judy Mesack had high putts of 26. Barb Hagan chipped one in on one.

The ladies enjoyed their stay away with all the trimmings. Remember, call for the petting dinner next week, bring your own plate and silverware.

Golden Anniversary Observed

Mr. and Mrs. Waldemar C. Schmoock, of Grayling, celebrated their 50th wedding anniversary on Friday, June 16th, with a dinner party at the Sheraton Hotel.

Among those attending were Mr. and Mrs. Norman W. Schmoock of Grayling and their children, and Mr. and Mrs. Martin B. Schmoock and family, from Eureka, California.

Also here to celebrate the occasion was Mr. Schmoock's sister, Mrs. Clara Claiborne from Pigeon, Michigan, and long time friend Mr. and Mrs. Philip Klucas from Atlanta, Michigan.

Wally and Clara Schmoock were married June 16, 1928 in Bowling Green, Ohio and moved to Grayling two years ago from Eureka, Calif. Mr. Schmoock is a retired Vice President of K-Mart Stores, Inc. and LTC from the Army Reserve.

4-H Energy Days '78 Going To The Dogs

by Rita Fay

4-H Program Assistant

Dog Care for the Family Dog is one of the 158 extension-learning options offered to Crawford County youth during 4-H Exploration Days, June 22-24, at Michi-

gan State University, according to Rita Fay, Crawford County 4-H Program Assistant.

Taught by Betty Ann Jankel, owner of Bel-Cha Kennels and member of the Tri-Cities Dog Training Club, the program will offer advice and demonstrations on proper dog care. She will also cover such things as household manners, responsibility in owning a dog, traveling with your dog and being a good neighbor.

Friday afternoon, Sue DeGraaf, animal and technology specialist, will talk about yearly physicals, when to get shots, proper nutrition and other aspects of dog care.

The finale to Exploration Days is 4-H Energy Days '78, June 23-24. Sponsored by the Michigan State University Cooperative Extension Service 4-H Youth Programs, the two-day event is open to the public at no charge.

The public is invited to various demonstrations on Saturday afternoon in Michigan State University's Spartan Stadium. The Lowell Leash and Collar Club will present a drill team, one of Jankel's Saint Bernards will be pulling a dog cart, and participants from the program will present dogs in various costumes and obedience trials. There will be also a summer rig of sled dogs and a scent hound relay.

For a free brochure and additional information of the program, contact Rita Fay at 275-5043.

TUFTS VISIT MINNESOTA, OLD FRIENDS

Mr. and Mrs. Bill Tufts returned June 13 from an elongated Memorial Day Holiday. In addition to the usual visitation to Bill's parents and grandparents graves, they returned to Fairbault, Minnesota.

There Bill attended the 100th birthday of the alumni of Shattuck School and enjoyed re-creating old ties with five other members of the class of 1931.

There was only one new building a dormitory, since Bill left, so there was much to jog the memory. The longest trip was made by an alumnus living in Alaska - many from Florida and California.

They spent a few days in Minneapolis looking around the campus of the University of Minnesota. Bill graduated from there in 1935 - but there were very few places that had not changed beyond recognition.

THANK YOU VOTERS

FOR YOUR OVER-WHELMING
VOTE OF CONFIDENCE

I will use my common sense, and any abilities I possess to make a significant input into our children's education. That each child will know he or she is needed, to build self confidence and self esteem. I will relax in the knowledge that neither the teacher nor the child must be perfect to receive a good basic education. I will try to be constructive, but when necessary, critical and part of the school family.

Sunday Outing of Golf-Pig Roast Enjoyed

by Fay Bovee

Fantastic, fabulous, incredulous, is how one could describe Sunday afternoon's Golf and Pig Roast at the Grayling Country Club. There was hearty applause when the roast pig arrived in the dining room, succulent and tender, complete with cherry eyes and an apple in its mouth. Placed amid the mouth-watering array of potluck dishes furnished by the women of the club, it was a dinner fit for a king. Bill Denton, the royal chef, spent from 5:30 Sunday morning attending the cooking of the pig. He was assisted in the preparations by Ray Priebe.

Almost 100 people attended the opening Sunday couples party on June 18, 1978, and everyone agreed it was a huge success, thanks to the committee of Bill and Donna Denton, John and Doris Harland, Larry and Carole Gust, Ray and Claire Priebe.

Following dinner, prizes were awarded for: hole #1, men's drive closest to the marker, Rick Burr - ladies' drive closest to the marker, Peri Griffith; #2 ladies' longest drive, JoAnn Olsen; men's longest drive, Greg Gonthro; #3 ladies' closest to pin after second shot, Jan Henig - men's closest to pin after first shot, Bob Schwarz; #4, ladies' shortest drive, Sis Burr - men's shortest drive, Jerry Walker; #5, most putts for men, Larry Gust - least putts for ladies, Bunny Wilson; #6, high team score, Gary McLaughlin, Mickey Perez, Greg Gonthro; #7, low team score, Bill Dentons and Tom Schmitts - Melvin Nielsens and Bob Schwarz; #8 closest to pin on first shot, June Schwarz and Gary McLaughlin; #9, longest putt, June Schwarz and Bill Denton; low putts for foursome, Bill Scheers and Bruce Smiths, and Bob Schwarz and Melvin Nielsens with 60, and high team putts, Jim Wiites and Annie Maurens with 111.

In the drawings, the following teams won door prizes: Bill Sorensens and Bob Bovees; Dr. Henigs and Bill Dentons; McLaughlins, Gonthro and Perez; Don Esmonds and Leo Cavanaugh; George Griffiths and Clare Beaulais; Col. Klingensmiths and Allison and Bendig; Rich Burrs and Jim Shiveleys; Dick DuBois and Ken Gonthros; Jerry Walkers and George Olsons; Jim Weadocks and Slack and LaMotte.

It was a great party and the next Sunday party is scheduled for Sunday, July 9. See you then!

Mrs. Ann Duby and Mrs. Hazel Koernke, are attending Home-makers Conference at Michigan State.

Word was received of the death of John Shoemaker at his home in Colorado. Mr. and Mrs. Shoemaker had owned a home on Shupac Lake, and spent a great deal of time in this area.

Daily Vacation Bible School will start on August 14th. The program will be on August 20th. All children are invited to attend.

Our deepest sympathy is extended to Mr. and Mrs. Ralph Kent, in the death of their son, Bill, who passed away at his home in Troy on Saturday, June 10.

The Cheerful Givers Club will meet at the club room Thursday evening at 7:30.

The Firemen are planning a celebration on July 2nd. There will be a parade, Barbecue Chicken Dinner, games and fireworks in the evening.

Fred Schatte is a patient at Mercy Hospital. His many friends wish him a speedy recovery.

Ida Papendick is a patient at Munson Medical Center in Traverse City and is recovering nicely after having surgery on her knees. Her address is Munson Medical Center, Sixth & Madison, Traverse City, MI 49784, Room 4012.

Mr. and Mrs. Matt Bidvia of Grayling, traveled to Livonia Tuesday. They went for the purpose of attending the graduation exercises of their grandson, Robert Ballinger, which took place Wednesday evening. He graduated from Stevenson High School. After the graduation, they returned to the home of Robert's parents, Mr. and Mrs. Russell Ballinger, where an open house was held in his honor. Mr. and Mrs. Bidvia returned to Grayling on Thursday.

Shelly Fick attended the 38th annual Girls State held at Olivet College, Olivet, Michigan from June 10th to June 18th. While there she was a member of the Nationalist Party. She was sponsored by and all her fees paid by the Grayling American Legion Auxiliary. When Shelly's father and brother, Scott, picked her up on Sunday they also picked up Carolina Arancibia (Gonzalo's sister) to come and spend a week in Grayling. The Ficks will drive her back to Coldwater on Friday and two weeks later she will fly home to Chile.

William Beecher, of Grayling is a patient at Grayling Mercy Hospital.

Grand Family Visit

June 28, 1978 is our big day. That is the day Grayling Chapter #83, will entertain the Grand Family of the Grand Chapter, Order of the Eastern Star of Michigan. Dinner will be served at 6:00 p.m. and a program will follow. All plans and preparations are nearly completed.

This is an open meeting, all of the members of Grayling Chapter, visitors from other chapters and friends are invited to attend.

If you do not have your reservation yet, please call Velda Marshall at 348-7165 or Irene Peterson at 348-5271 right away. Tickets are \$3.50.

We have a busy summer scheduled. Our next regular meeting is July 5 followed by Friends Night on July 19. This will be for initiation. We are also making plans for our annual Mill-Town Smorgasbord. We invite all of our members and visitors from other chapters to join us in these activities.

Spring Luncheon Held At
St. John Lutheran Church

St. John Lutheran Church was the scene of a spring luncheon on Thursday noon, June 15th, when their Lutheran Church Women & their guests, the Church Women of Messiah Lutheran Church of Roscommon, met in joint session. The ladies were seated at long tables made attractive with varied colored linens.

Following the luncheon, the ladies were privileged to hear guest speakers Mrs. Janet Hinds of Traverse City, and Mrs. Joyce Mehan of Tustin, who are officers of the Michigan Synod Lutheran Church Women.

Pastor James Mehan and Pastor Haskel of the local church were also guests, and comments were given by both men.

It was a very pleasant afternoon, thanks to the committee in charge who were Mrs. Robert Soranson, Mrs. William McLeod, Mrs. Robert Speich and Mrs. Melvin Moore.

Engaged

Mr. and Mrs. William O'Mara, of Grayling, wish to announce the engagement of their daughter, Cynthia Jean, to Herb Olson, son of Mr. and Mrs. Nels Olson, of Grayling.

A September wedding is planned.

Bits O' Talk
 by Fay Govea

Mrs. James Bedard (nee Vicki Wells) and daughters, Beth and Andrea, of Hickory Corners were here for the weekend visiting relatives and friends.

Mr. and Mrs. Denny Cohoon, Dan and Gretchen, and Nancy's mother, Mrs. Ercel Martinsen, spent from Thursday to Sunday visiting Nancy's sister and family, Mr. and Mrs. Hugh McCoy and children, in Belleville, Ontario.

Mr. and Mrs. Clare Burns of Traverse City came Saturday to pick up his parents, Mr. and Mrs. E. R. Burns, and took them to Troy, Mich., where they attended the wedding of Sandy Burns to Arvo Lauri Lakanen. Sandy is the daughter of Mr. and Mrs. Gerald Burns of Mundelein, Illinois.

Mrs. David Cornwall, nee Sheila McWilliams, and two boys, David and Chris of Dillingham, Alaska, are spending the month of June with her parents, Mr. and Mrs. Burton McWilliams. They are also spending time with his mother, Mrs. Robert Sherfield, on the Manitowish and have visited his grandfather and wife, Rev. and Mrs. Puffer near Kalkaska.

Frederic Homecoming Committee

This weekend the Frederic Homecoming Committee will be sponsoring its Annual Flea Market June 24th, in the Frederic Community Park. The starting time is 10:00 a.m. and the closing time is 8:00 p.m. It promises to be an interesting event. There will be lots of baked goods, white elephant items, craft items, old books, clothing, food products, dishes and many more miscellaneous items.

There are also a few Centennial plates left for those who didn't get one and we will be selling our Frederic Centennial Book.

In case of rain our Flea Market will be held in the Frederic Elementary School.

We are working hard to make this year's Homecoming a special event. As added attractions this year, the Michigan Woodcutters Association will be here. They will have special events for those who want to participate. Also, another feature will be helicopter rides. For those of you who have never flown in a plane, here's your chance!

Be sure to mark down these Homecoming dates, August 10 to 13. And plan to join in on the excitement and fun!

Time to Think Positive!!
 by Joe Schrader

Well, old friend Fred got bopped in the eye with a pie last Saturday at City Park, honors going to Dave Trudgeon, 14-year old Grayling resident and student, who avenged Grayling's anger over his recent Detroit News article maligning our fair city. A gathering of some 100 spectators witnessed the splattering, and cheered joyfully when, after Girard stepped to the river to wipe off his cream-filled chops, someone situated a perfectly-placed foot to his rear-side and plunged him smack-dab into the stream. That brought even more shouts of glee from the delighted audience! All in all though, Mr. Girard was a good sport through it all.

Time to talk now, though, about some of the other things going on around the Grayling area that make it a delightful place to live ...

—How many towns have had a "Solar Fair & Old-Fashioned Bazaar" like we had this past weekend? It was a lot of fun for young and old and credits have to go to Energy Coordinator Dan Smith for arranging such a fun-filled event.

—There's something new out on M-93 near the Red Barn - A beautiful new building with a Reptile sign out front - wonder what that's all about?

—Northern Pine Associates - apparently a land developing company - has taken up quarters next to the Town & Country Boutique.

—The National Roofing Co. has "staked its claim" in the new industrial park and is now open for business. That makes, we understand, a total of five businesses now open in that locale.

—Pizza Hut construction appears to be heading for a completion date sometime this summer.

—And here it is, folks, the new Social Services Building will also be located somewhere in that same Van's area - we'll have more on that later ...

—Things will happen, we hope soon with the new V.F.W. building ... The hold-up here, is the fact that telephone lines have to be raised to move out the chalet purchased for relocation to the club's site. Gen Tel employees are on strike - I can recall "Ma" Bell having "labor pains" a few years back - now the focus seems to have shifted to General Telephone. Let's hope settlement of the conflict happens soon so that "delivery" of the V.F.W. Building can move ahead ...

Bits O' Talk

by Fay Bovee

Robert Knutilla, of Williams-ton, MI., was honored at a farewell dinner at the Briarwood Club in Lansing, on Friday, June 9, 1978. He has been transferred by the Department of Interior to Tampa, Fla. He is married to the former Shirlee Souders and he and his family will be moving to Florida in July. Attending the dinner were 100 people from all over the state. Those from Grayling who attended were Mr. and Mrs. Harry Souders, Mr. and Mrs. Tom Robertson, Robert Larson and James Failing.

Ivy and Eleanore have a new granddaughter! Dan and Mary Jo McIsaac of Denver, Colorado are the proud parents of a baby girl, Jacqueline Louise, born on May 30. She weighed in at 8 pounds. Mr. and Mrs. Pat Flanagan of Denver are maternal grandparents. Mrs. Edna Renville, of Mackinaw City and Mrs. Delvia McIsaac, of Bay City are Great grandmothers.

Kelly Scheer and fiancé, Mike Fortino, spent the weekend of June 9 with her parents, Mr. and Mrs. Bill Scheer. For the past six months, Kelly has been employed as a social worker at Eagle Village at Hersey, Michigan.

Tim and Nancy Perry and daughters Kelly and Angela of Jeffersonville, Ind., arrived a week ago Saturday following the death of his father, Bill LaRush. They spent until last Sunday with Irene. Other friends and relatives attending Bill's funeral were from Bay City, Detroit, Rochester, MI., Westland, Berkeley, Brighton and Union Lake. Previous to his death, his very good friends, Mr. and Mrs. John Prior, of Rochester had arrived and planted his garden which he so loved. He seemed very happy and satisfied that his garden was planted and Irene commented that everyone had been so wonderful all during Bill's illness.

The Date Pettengill family were all together for a family party on Saturday, June 17 at the Paul Juntilas Coming from Roseville and spending about 10 days was Jane Pettengill, Mr. and Mrs. Dale Allen Pettengill and son of East Lansing spent the weekend as did Mr. and Mrs. Paul Pyle, nee Priscilla Pettengill, and twin daughters of Kalamazoo.

The Jerome Kessler family gathered for Father's Day weekend at a Lake Margrethe cottage for a Sunday picnic and visiting. Coming from Lake Jackson, Texas, were Roger and Phyllis Kessler and Maureen and Mike. They are spending a week and have visited in Midland and Cadillac. Coming for the weekend were Tom Kessler of Lansing, George and Nancy Kessler and family of East Lansing, and Jim and Rosie Kessler and family of Saginaw. Fred Bishaw returned to his home in Grayling last Thursday from Munson Medical Center. Visiting for an indefinite time is their son, Bob Bishaw of St. Paul, Minnesota. Mrs. John Wildie, nee Suzanne Bishaw, and son, Jeremy, of Provo, Utah, are spending a week with her parents.

Mr. and Mrs. Jon Bond and family Meredith and Randy, of Denver, Colorado, are spending two weeks in Michigan, most of it with his family, the Frank Bonds. They visited her family in Vassar part of last week. Also coming for the weekend were Jim and Phyllis Bond, Julie and Jeff of Lansing, and Fred and Joan Miller, Susie and Ronnie, of Oscoda. The week of June 4, the Frank Bonds were in Coldwater, MI., where they attended the Avion Spring Rally.

THANK YOU

We would like to thank all of the friends and neighbors for their kindness and prayers during our recent bereavement. A special thanks to all the Eagle members for the memorial service and luncheon.

THANK YOU

I would like to thank the American Legion Auxiliary for allowing me the opportunity to attend Girls State. I learned a lot about government, conventions and voting. I made many friends and enjoyed the week a great deal. Thanks again.

City-County Share In Hwy. Funds

Despite steady increases in highway travel and the number of cars and trucks in Michigan, state fuel tax revenues increased by less than one per cent in the first quarter of 1978 over the same period of 1977, the State Highway Commission reported today.

License plate fees, based on vehicle weight, went up by three percent, about half the increase reported a year earlier.

The leveling off in gas and weight tax funds, which are spent for road construction and maintenance, was attributed mainly to increases in the number of smaller, lighter, more fuel-efficient automobiles. The growth rate until recent years was five to six percent for both fuel and weight tax revenues.

Motor vehicles registered in Michigan increased last year by 274,000 to a record 6,138,000. While highway travel went up nearly three percent to 63.4 billion miles, also a record.

Collections on sale of gasoline, diesel fuel and liquid petroleum gas in the Jan.-March period totaled \$100,868,380, up by \$762,032, or eight-tenths of one percent, from the year before.

License plate fees yielded \$101,177,559, compared with \$98,280,478 in the first quarter of 1977.

Gross receipts, including \$3,525,064 in earned interest and misc. revenues, totaled \$205,571,003, an increase of 2.1 percent over the first quarter of 1977.

All the tax revenues go to the State Motor Vehicle Highway Fund. Proceeds are being distributed to the state, counties and municipalities after deductions of \$16,999,781 in grants and collection costs, including \$3.5 million to the Mackinac Bridge Authority, \$1,180,861 to the State Waterways Fund and \$5,187,632 to the General Transportation Fund for public transportation purposes.

Net proceeds totaling \$188,105,934 (up by 2.1 percent) leave \$83,469,085 for the Dept. of State Highways and Transportation as its 44.6 percent share; \$67,299,751 for the 83 county road commissions as their 35.7 percent share and \$37,337,113 to the 531 incorporated cities and villages as their 19.8 percent share.

Crawford County's share amounts to \$242,484 for the first quarter compared to \$235,383 last year for the same period. The City of Grayling will receive \$15,631, compared to \$15,276 in 1977.

TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY Notice of Hearing on a Conservation Program Involving Natural Gas Rates

On June 6, 1977, Michigan Consolidated Gas Company (Applicant) filed an application requesting that the Commission issue rulings and grant approvals in respect to a proposed program for the conservation of natural gas, including a ruling declaring that the program would be a utility function within the scope of the service rendered by Applicant as a public utility and that the cost thereof would be a proper charge to utility cost of service to be collected through a monthly customer surcharge to be added to all of Applicant's rate schedules.

On May 26, 1978, Applicant filed an Amended Application in this proceeding in which it proposes a gas conservation program differing in several respects from the program originally submitted in its application filed on June 6, 1977. Among other things, Applicant proposes (1) in lieu of the new program for residential ceiling insulation previously proposed, to continue with some modifications on an insulation program approved by the Commission in 1973; and (2) in lieu of the installation of reduced orifices in residential furnaces as previously proposed, to recommend to its residential heating customers the derating of furnaces by means of pressure regulation. In the Amended Application, Applicant requests that the Commission approve amendments to its Rules for Gas Service that would permit it to sell gas for lower priority uses for limited periods at its rate for large volume gas service. In the Amended Application, Applicant also requests that the Commission issue its ruling pursuant to Section 63 of 1969 PA 306 declaring that after the proposed gas conservation program became effective, rates would be prescribed for Applicant's Michigan utility service without inclusion of revenues from interstate sales of gas by Applicant to purchasers outside Michigan, in which case Applicant would refund a portion of its revenues from such sales to its customers, as a credit against the surcharge for its conservation program.

Applicant is a Michigan corporation having its principal offices at One Woodward Avenue, Detroit, Michigan 48226, and its Utility Division, which is subject to the jurisdiction of the Commission, distributes natural gas at retail to approximately one million customers, all within the State of Michigan.

Applicant states that approximately 877,000, or 88% of its one million customers are residential heating customers who use natural gas to heat their dwellings, that conservation of energy has become a high priority national goal, and that one of the specifics of that goal is conservation of fuel used for home heating. Applicant states that after implementing a home insulation program approved by the Commission in 1973 it conducted field tests to determine the effectiveness of five different devices designed to improve the efficiency of residential furnaces and reduce the heat loss that occurs through flues and chimneys. After testing those devices during the 1975-76, 1976-77 and 1977-78 heating seasons, Applicant believes that the use of fixed flue restrictors, in combination with the derating of gas furnaces through a reduction in pressure regulation, appears to be the most practical, cost-effective and feasible means of achieving greater residential furnace efficiency.

Applicant has prepared and submitted to the Commission an amended plan for implementation of a gas conservation program which would incorporate with some modifications its existing home insulation plan and would promote the installation by its residential space heating customers of furnace retrofit devices such as the fixed flue restrictor in combination with derating of furnaces through adjustment of pressure regulation.

Applicant proposes to form a subsidiary corporation (referred to herein as Conservation Company), which will be subject to the jurisdiction of the Commission, to take over the administration of Applicant's present ceiling insulation program approved by the Commission on October 5, 1973, in Case No. U-4404, and to assume the further task of contacting all of Applicant's residential heating customers for the purpose of conducting an energy audit (if, as anticipated, such an audit is mandated by the National Energy Act), and urging such customers, if qualified, to install ceiling insulation and furnace retrofit devices pursuant to standards to be set by the Commission. Applicant also requests that amendments to its present ceiling insulation program be approved which would (a) eliminate any requirement for a down payment by the customer, (b) permit installment payments over forty-eight months instead of thirty-six, and (c) reduce the interest rate on installment sales from 1% per month to 3/4 of 1% per month. Conservation Company will secure financing sufficient to enable it to carry out all the elements of the gas conservation program.

Applicant proposes that Conservation Company would cause insulation and furnace retrofit devices to be installed for its qualified residential heating customers by licensed heating contractors, meeting qualifications approved by the Commission, who would act as subcontractors to Conservation Company. Subcontractors for particular installations would be selected by the customer, or by Conservation Company, on the basis of competitive bids.

Applicant would contract to remit to Conservation Company monthly, all collections of a monthly customer surcharge to be added to all of Applicant's rate schedules, to pay the costs incurred by Conservation Company for labor, interest, income and other taxes, advertising, general administrative costs, uncollectible accounts and an aftertax return on equity of 15%.

Applicant requests, among other things, that the Commission issue its ruling, finding that the implementation of the gas conservation program proposed in its Amended Application constitutes a utility function within the scope of Applicant's utility operations and that the costs of administering and implementing the program, including the payments to Conservation Company, be recovered through a monthly customer surcharge which Applicant requests the Commission to authorize Applicant to add to all of its rate schedules for gas service for a period of eleven years following implementation of the proposed program.

Applicant further requests the Commission to authorize it to delete from its Rule 31 the requirement of obtaining prior Commission approval of limited sales of excess gas for lower priority uses; authorize Applicant to file a new Rate 6 contract for gas sales limited as to time and volumes; and declare that in the event the gas conservation program is discontinued prior to the expiration of eleven years from the date of approval, the surcharge assessed against all customers shall continue as is necessary for Applicant to recoup its full costs; to find and declare that the costs incurred by Conservation Company, and the surcharge collected by Applicant to pay such costs, shall not be deemed a part of Applicant's cost of service in any proceeding involving Applicant's rates; to find and declare that after implementation of the conservation program, revenues from interstate sales would not be included in determining Applicant's utility rates, with Applicant to make certain refunds respecting such sales should they occur; and to grant Applicant such other and further relief as may in the premises be just.

Since Conservation Company will elect to recognize revenues as they are collected for Federal income tax purposes, Applicant requests the Commission to authorize Conservation Company to debit an account referred to as Provision for Deferred Income Taxes and to credit an account referred to as Accumulated Deferred Income Tax with the amount of the related tax effect as calculated on the difference between revenues accrued and revenues collected by Conservation Company. If so authorized, income taxes deferred will be allocated to the years affected as the revenues accrued are collected.

Applicant's prepared testimony and proposed exhibits in support of its Amended Application will be filed with the Commission on or before June 16, 1978 and will be available for inspection in the office of the Commission Secretary, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan.

Applicant requests, among other things, that the Commission issue its ruling, finding that the implementation of the gas conservation program proposed in its Amended Application constitutes a utility function within the scope of Applicant's utility operations and that the costs of administering and implementing the program, including the payments to Conservation Company, be recovered through a monthly customer surcharge which Applicant requests the Commission to authorize Applicant to add to all of its rate schedules for gas service for a period of eleven years following implementation of the proposed program.

Applicant further requests the Commission to authorize it to delete from its Rule 31 the requirement of obtaining prior Commission approval of limited sales of excess gas for lower priority uses; authorize Applicant to file a new Rate 6 contract for gas sales limited as to time and volumes; and declare that in the event the gas conservation program is discontinued prior to the expiration of eleven years from the date of approval, the surcharge assessed against all customers shall continue as is necessary for Applicant to recoup its full costs; to find and declare that the costs incurred by Conservation Company, and the surcharge collected by Applicant to pay such costs, shall not be deemed a part of Applicant's cost of service in any proceeding involving Applicant's rates; to find and declare that after implementation of the conservation program, revenues from interstate sales would not be included in determining Applicant's utility rates, with Applicant to make certain refunds respecting such sales should they occur; and to grant Applicant such other and further relief as may in the premises be just.

Since Conservation Company will elect to recognize revenues as they are collected for Federal income tax purposes, Applicant requests the Commission to authorize Conservation Company to debit an account referred to as Provision for Deferred Income Taxes and to credit an account referred to as Accumulated Deferred Income Tax with the amount of the related tax effect as calculated on the difference between revenues accrued and revenues collected by Conservation Company. If so authorized, income taxes deferred will be allocated to the years affected as the revenues accrued are collected.

Applicant's prepared testimony and proposed exhibits in support of its Amended Application will be filed with the Commission on or before June 16, 1978 and will be available for inspection in the office of the Commission Secretary, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan.

Jurisdiction in this matter is pursuant to 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; 1969 PA 306, as

amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1954 Administrative Code, 1968 Annual Supplement, R 460.11 et seq.

NOTICE IS HEREBY GIVEN that: A public hearing will be held at 9:30 a.m. on July 10, 1978 in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, for the purpose of commencing cross-examination of Applicant's witnesses. Hearings will continue thereafter from day to day or on such adjourned dates as the presiding officer may set. Any interested parties may attend the hearings and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any party seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before July 5, 1978, an original and 12 copies of a petition to intervene, together with proof of service upon Applicant. Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

C. The Commission will continue an investigation and hearing into the existing rates, charges, services, practices, procedures, operations and appropriate corporate organization of Applicant; appropriate standards, conservation methods and devices, efficiency of gas use, workmanship standards, relations with customers and contractors, safety, governmental and institutional approvals, legal issues, financing or other matters; and the investigation and hearing will not necessarily be confined to matters contained in the application but will include all matters pertaining to the above as may be necessary to enable the Commission to determine whether the authority requested should be granted or modified.

D. Any party wishing to file written comments, in lieu of a petition to intervene, may do so. Such comments are to be filed with the Commission on or before July 10, 1978.

IT IS HEREBY DIRECTED that: A. Michigan Consolidated Gas Company shall, on or before June 30, 1978, mail a copy of this Notice of Hearing to all cities, incorporated villages, counties and townships in which it provides gas service and to each participant in Case No. U-5272 who is located within Applicant's gas service area, as well as to all intervenors or participants who appeared in Commission rate proceedings in Cases Nos. U-5365 and U-4792, being Applicant's two most recent rate case proceedings. Proof of service shall be filed at or before the scheduled hearing on July 10, 1978.

B. Michigan Consolidated Gas Company shall cause to be published, on or before June 30, 1978, a notice of hearing in daily newspapers of general circulation throughout its gas service area and in substantially the same style and manner as the notice of hearing was published in Cases Nos. U-4792 and U-5365. Proofs of publication shall be filed at or before the scheduled hearing on July 10, 1978.

C. Michigan Consolidated Gas Company shall, on or before July 10, 1978, serve upon each Rule 11 Intervenor a copy of the written direct testimony of its proposed witnesses and its proposed exhibits. Proof of service shall be filed with the Commission on or before July 18, 1978.

D. Michigan Consolidated Gas Company shall, at least 10 days prior to the hearing on July 10, 1978, have available for inspection at each of its District Offices in its gas service area a copy of its original application, its amended application, and testimony and exhibits in support thereof.

This Notice is published by order of the Michigan Public Service Commission.

Speedy Grant Received

The Northeast Michigan Manpower Consortium, with central offices in Onaway, Michigan, today announced that a CETA grant of \$575,704 has been received to operate a Summer Program for Economically Disadvantaged Youth (SPEDY).

The Consortium's member counties of Alcona, Alpena, Cheboygan, Crawford, Montmorency, Oscoda, Otsego and Presque Isle will benefit from this summer's program, which will be operated locally for the Consortium by the area intermediate school districts.

In announcing the SPEDY grant, Administrative Board Chairman Robert Greenwood from Cheboygan County stated that the grant should provide employment, work experience, and related employability training to approximately 600 disadvantaged youth aged 14 to 21 in Northeast Michigan. He went on to say that the SPEDY program is an integral part of a renewed national emphasis on youth unemployment problems. The Administrative Board of the Consortium is made up entirely of county commissioners from the eight counties. The Board member from Crawford County is Rolla Failing.

Youth who are interested in the program are urged to contact the respective intermediate school district or county CETA office for more information.

Theme for Milltown Parade

"The Good Ol' Days" is the theme for this year's Milltown Festival. Wayne Hindmarsh, Chairman, announced that this year's festival would be better than ever.

The parade will begin at 1:00 p.m. Saturday, July 29th.

"We are pleased with the response so far from the area groups. We are greatly concerned with a need for an increase in the number of floats from local businesses, service groups, and other concerned people. We urge everyone to make a valiant attempt to have an entry in this parade."

People interested in more information should contact the Grayling Chamber of Commerce at 348-3336, or Wayne Hindmarsh at 348-8074. Entries should also be registered at either of these two numbers. The Milltown Festival is scheduled for July 27-30th.

Mr. Howard D. Madsen,
Publisher
Crawford County Avalanche
Dear Sir:

Have read what Fred Girard has written re Grayling. My advice is to consider the source and ignore what was written.

We all know that the millions who have visited the Grayling area over the years have found their way in and out with no trouble. The National Guard units of many states have done the same and so have units of the Army Reserve as well as the Marine Corps.

His remarks remind me of the time my father introduced me to a Mr. Kirby, who ran the snow trains to Grayling. My dad said, "He is the one that put Grayling on the map." My reply was, "No dad, Grayling was on the map long before Mr. Kirby ever heard of it and it will be on the map long after Mr. Kirby is gone."

So consider the source and ignore it.

Sincerely,
Ralph H. Roulter
1342 Lakeshore Apt. 1
Oakland, CA. 94606

Mr. John Keir:

I would like to offer my sympathy in your recent problems, but I can remember back on January 27, 1971 when my husband Bob was out plowing snow in his own pick-up when he came upon one of your county trucks stuck in a snow-drift on Headquarters Rd., and he stopped to help Mr. Joe Bielecki out.

He got up on the back of the truck which was filled with sand and attempted to shovel some of the sand under the wheels, when all of a sudden the shovel and tire connected, and wham, the handle of the shovel broke, piercing his eye. He had to be rushed to Munson Medical Center where he was in surgery for four hours. He lost the sight of his eye.

At that time you refused all my phone calls saying that no way were you involved, and furthermore did not want to know about it, and also you did not want any of your employees talking to us or anyone about it. Not one word of concern or consideration at that time or ever from you.

I did not think you were much of a man then. So maybe now you should face your problems head on. The Good Lord works in strange ways to find out how strong we can be, and believe me, he gave us lots of strength at that time, especially Bob, who had to learn to live with only the sight of one eye, which he has worked hard and made a living despite his handicap and without any kind of assistance.

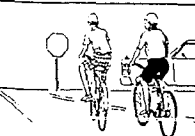

So you see, Mr. Keir, you have two eyes, plus you claim to be an engineer, so with all that, you should be able to find another position and apply yourself a little harder.

After two attempts to get your job back and failed, you should be getting the message.

We need a man for the job, not a mouse!

Sincerely,
Mrs. Evelyn Stephan

CONSUMER GUIDELINES

More and more, Americans are taking to the sport of bicycle riding. Young people, particularly, should be taught how — and where — to ride safely. Statistics show that three of four bicycle accidents are caused by rider carelessness — and half of all bicycle accidents in the U.S. involve riders between the ages of 5 to 14 years.

Parent Talk

At the Parent-Child Center we learn from the things parents and children tell us. They are our teachers who let us know what it is like to be parents and children. In this month's column we are sharing a young mother's feelings about leaving her child in the care of a baby sitter. This month's question and our answers come from the things many families talk about here at the Center. If you have questions or ideas to share, call us at 366-7250 or write Box 406A, Route 1, Prudenville, 48651.

Question: My husband and I are debating about whether to leave our baby with a baby sitter. Cindy is 5 months old now, and I have never left her with anyone but my mother. Now we have moved to a new home away from any relatives. I guess my husband is right about needing to go out without the baby once in a while, but I worry about finding a good sitter.

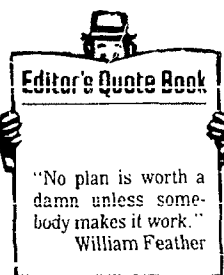

Answer: Making the transition from a couple to a family means that a lot of needs must be balanced successfully. Most couples do eventually need time together when they don't have to think about changing diapers or the next feeding. Like you, many mothers wonder if it is alright to leave the baby with someone else at times. Sometimes they feel a bit guilty because they want some separate time even though they feel responsible for their child. If you find and train the right person, your baby actually benefits from learning to trust another person, too. But you are wise to be cautious. Babies do need consistency in their care. So when you do choose someone to care for your baby, make sure that person understands how you do things, so she will do things in similar ways. Tell her about Cindy's schedule and her likes and dislikes in relation to eating and sleeping. Have her take care of Cindy at least once while you are around so you can give her suggestions and see how well she and your baby get along.

Question: That's an idea ... I could invite a neighbor over to get acquainted with me and the baby. There is an older woman on my street, and a teen-ager too. Who would be better?

Answer: What should you look for in a baby sitter? Well, remember that a loving person who enjoys babies is more important than coming home to a meticulous household. Talk over your feelings about the importance of meeting Cindy's needs. At this age you don't need to worry about "spoiling" your baby by careful attention, and I believe you should be sure your substitute is as careful about that as you are. Most of all, trust your own feeling about what is best for you and your family. A warm, sensitive, practical person can be a regular source of support for your family as Cindy learns to accept her, too. Of course you will still be the most important person in your baby's life, and you shouldn't be surprised or embarrassed if she lets you and the sitter know that in no uncertain terms.

Question: Sometimes I wonder if it makes any difference, because Cindy goes to anyone! Answer: At five months, most babies are really getting sociable and friendly with most people. Between you and your baby, you can teach an interested caregiver to "read her signals." Soon you may find Cindy much more aware of differences in people, slower to warm up to a stranger, etc. Planning now for times to share grown-up interests with your husband can be a good investment for this next absorbing period in Cindy's infancy.

Here at the Parent-Child Center other people share many of the concerns you are expressing. One young family — particularly a mother — has a real challenge "going it alone," and meshing everybody's needs. But babies are fascinating creatures and every community has strong, caring people (young and old) who want to learn to share the parenting job. Every afternoon between June 19 and 23 a class of teen-agers will meet at the Center in a Baby Sitting Clinic to upgrade their child-care skills with the help of nurses, teachers, nutritionists, etc. Like you, we believe that this is important!

BEST PERFORMANCE

All he has to do is stay on for eight seconds.

But that can be the longest eight seconds of the day when the rodeo performer gets a particularly spirited bronco.

He knows that when he gives the final nod of his head and that big gate is swung open, some horses turn into twisting, turning beasts who seem to breathe fire and stomp lightning.

Yet every performer hopes he will get that very kind of mount. Unless the horse puts on a wild display during the ride, the judges will score the rider low and he will miss the prize.

Anything that brings a special reward usually requires a person to go beyond his normal performance.

Shouldn't we all then be ready to give an extra share of our talents and abilities if we want eternal life—the greatest reward ever promised to man?

This Sunday come to church and find how it's done.

Cartwright case

Hand in cookie jar
politicians blame media

Richard Milliman

Most of us involved in what is broadly called "the media" quiver little — if, indeed, at all — when a politician broadsides some criticism because of something the media have done which the politician perceives as scurrilous.

In fact, many of us wear such criticism as a badge of honor, especially when it comes from a petty political, crook who has been exposed by some digging, shoe-leather reporting and some needed exposure in the public press.

Sometimes, however, I have to admit I become a bit weary of the public flogging administered to the press by politicians. Sure, I can shrug it off; but like the fruits of the propaganda machines in Hitler's Third Reich, sooner or later somebody may come to believe it.

Consider, for example, the plaint of former Michigan State Sen. Arthur Cartwright of Detroit, who was caught with his hand in the public cookie jar and copped a plea with the attorney general. The plea bargain deal included Cartwright's agreement to resign from the Senate and not run for his seat again, while the original felony charge was reduced to the misdemeanor level of cheating on his state expense account.

Naturally, Cartwright blamed the press. According to a report in one Detroit newspaper, when Cartwright bowed out of the Senate, he did so with both guns blazing at the media, claiming he had been "persecuted ... nailed to the cross ..." by adverse "over-publicity," to use his term.

"I couldn't have bought that much exposure if I had been running for president," Cartwright is quoted. "It put me in a line with John Dillinger — boom, boom, boom, shooting out everybody and killing babies and children."

What now? He was going to "rest ... if the media will let me."

Cartwright obviously felt himself a martyr: "I'm no angel, I'm not perfect. Everybody makes mistakes. But I don't have a damn thing to be ashamed of."

Well, perhaps he doesn't know how to feel shame. He should be ashamed of his conduct as a custodian of public trust. Originally, he was charged with padding his expense account by some \$600; what he finally was convicted of was kiting a single meal ticket from \$4.16 which was on the dinner tab, to \$45.80 which he turned into the state.

Those are things you shouldn't do. Stealing \$41.64 perhaps isn't a federal

crime, but it should be enough to cause shame in a state senator.

One point that the former senator overlooks is that he's been around a long time in the public service, having first been elected to the Legislature in 1962. Since then he has turned in hundreds of expense accounts, and taken hundreds of trips at taxpayers expense. It is reasonable to assume that if he is convicted of stealing \$41.64 on one dinner ticket in Atlanta, the balance of his expense accounts over the years might bear some scrutiny as well.

It does seem to me that forced resignation from the senate is a rather severe penalty for stealing \$45.16; it also seems to me that if a conscientious state senator was sure of his ground, he would have declined to plea bargain, and would have refused to resign over a \$45.16 dinner tab kiting charge.

But back to the point of this essay: Cartwright blames the press.

However, it was not the press which took the state-paid trip to Atlanta. It was not the press which juggled the figures on the dinner tab. It was not the press which turned in the kited figures to the senate secretary for payment. It was not the press which decided the easiest road was to cut a deal with the attorney general; it was not the press which agreed to resign and not run again.

All of these actions which made up the Cartwright scenario are the actions of Arthur Cartwright, not some reporter. There's only one person responsible for Arthur Cartwright's problems with the courts, and that person is: Cartwright himself.

In most cases where the press is accused of hounding someone out of office or out of public favor, the same principle holds true — and that's regardless of whether the public figure is Arthur Cartwright, or Bert Lance, or Wayne Hays or even Richard Nixon and the Watergate crew. The point is this:

It is the public figure who digs his own grave, not the press. In most cases, the press reports and reflects, but it does not create.

Instead of being the target of political criticism in times like those mentioned above, the press should be praised for its role of vigilance and diligence.

As an individual involved in the same line of work, I know I bask just a bit in a small patch of reflected glory for the role of the press in the Cartwright case.

KCC Offers GI Bill Education

Over 188,000 Michigan veterans from the Vietnam Era have used their GI Bill educational benefits. Frank Kilcullen, director of the VA regional office in Detroit, says:

"Another 165,000 veterans from this era have not used educational benefits, and for many the 10-year period of eligibility has expired." Kilcullen said.

The VA is making a special effort this summer urging those veterans who are still eligible to use their benefits if it is at all possible.

The VA will pay a veteran student \$311 a month as an assistance benefit in helping him go to school. These benefits increase if the veteran has dependents.

Kilcullen said that the GI Bill program was not intended to pay full costs for a veteran's schooling, just as in the other two GI Bills. However, an eligible veteran may borrow up to \$2,500 per academic year to pursue a course leading to a standard college degree, or for a course leading to a professional or vocational objective which requires at least six months to complete.

Veterans who wish to finish high school, attend colleges or universities, take business or vocational training under the GI Bill should check the date their eligibility expires.

Assistance and information is available from the VA regional office or from veterans service organizations or you may contact Carole Chilton at Kirtland Community College, 275-5121, extension 270.

The Garden Is A Good Supply Of Vitamins

by Willard Bosserman
County Extension Director

A garden can be a valuable source of nutrients for the family, says Anita Dean Extension specialist in foods and nutrients and Bernie Zandstra, Extension specialist in horticulture.

A properly placed garden can supply a family with much or all of several of the necessary vitamins and minerals. A bonus is the garden crops tend to be very low in fats and calories and a good source of dietary fiber.

People usually think of oranges and grapefruit as the source of vitamin C but not so says Mrs. Dean. A number of fruits and vegetables that people can grow are very good sources of vitamin C: Strawberries, Broccoli, Brussel sprouts, and Peppers, both red and white are high in Vitamin C.

The best sources of Vitamin A are the dark green and deep yellow vegetables and a few fruits: Apricots, Broccoli, Carrots, Chard, Collards, Kale, Pumpkin, Spinach, Sweet Potatoes, Tomatoes and Tomato Juice.

"Even calcium, which many people think comes exclusively from milk, is present in fair quantities in greens, broccoli, peas and beans," Mrs. Dean points out.

Good vegetable sources of dietary fiber include, green beans, green onions, peppers, squash, cauliflower and broccoli.

The nutrition-minded gardener should grow a variety of vegetables. Zandstra suggests. A good mix might include mustard greens, spinach, broccoli, carrots, green onions, tomatoes, beans, peppers and hush squash.

Dining regularly on fresh vegetables from your garden would supply a family with about 25 percent of the iron they needed, 120 percent of the Vitamin A, and nearly 250 percent of the Vitamin C.

It's still not too late to plant some of these vegetables.

A Sea of Buckshot

THE NORTH LOST THIS TIME

As the war in the Gulf continues, the North Vietnamese government has announced that it has decided to withdraw its forces from the region. This move is seen as a significant development in the conflict, which has been ongoing for several years. The withdrawal is expected to lead to a more stable situation in the area, although the future remains uncertain.

SSG Edward Lardie

'...A Part Almost Beyond Belief...'

BY CPT STEVEN STONE

The war in the Gulf has been a long and difficult one, with many lives lost on both sides. The North Vietnamese government's decision to withdraw its forces is a significant step towards peace, but it is not yet clear what the future holds for the region. The conflict has been a part almost beyond belief, and the impact on the people of the area has been devastating.

SSG Edward Lardie is a soldier in the U.S. Army, and he has been involved in the conflict in the Gulf. He has seen many things that are hard to believe, and he has experienced the hardships of war. His story is a testament to the courage and sacrifice of the men and women who serve in the military.

Camp Grayling, Beehive of Activity

There is a buzz of activity at Camp Grayling, a military installation in the heart of the state. The camp is a hive of activity, with soldiers and civilians working together to improve the lives of the community. The camp is a place of learning, growth, and service. The soldiers are not only trained in combat, but also in leadership, teamwork, and community service. They are the backbone of the state, and their dedication and hard work are the reason for the state's success. The camp is a place where the future is being built, one day at a time.

LETTING GO OF OLD THINGS

The Dreams of a Soldier in the Field

BY COLONEL B. T. CHUPKA

As a soldier in the field, I have many dreams. I dream of a world where everyone is treated equally, where there is no war, and where everyone has a chance to live a good life. I dream of a world where we can all work together to make a better future for ourselves and for our children. I dream of a world where we can all be proud of who we are and of what we have accomplished. I dream of a world where we can all be happy and content. These are the dreams of a soldier in the field, and they are the dreams of everyone who loves peace and justice.

Handicapper's Mini-Guide Available

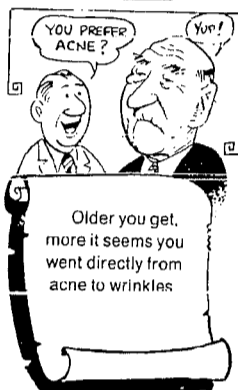

Gov. William G. Milliken Wednesday announced the release of a new travel publication, the "Handicapper's Mini-Guide."

"This mini guide was prepared to assist you in selecting accommodations appropriate to your needs," Milliken wrote, introducing the guide. "Please be assured that whenever you travel in Michigan, our hospitality will always be warm and genuine."

The guide was prepared by the Travel Bureau, Michigan Department of Commerce, to assist handicapped travelers. It lists Michigan places of accommodations which have included barrier-free design for handicapped travelers in its facilities and which meet national specifications for barrier-free design. Items especially noted are parking, entrances and exits, flooring types, elevators and room accessibility.

Included in the guide is a listing of highway rest areas which provide handicapped facilities, public transportation availability and a bibliography of related handicapped travelers' publications.

Copies of the guide are available without charge from the Travel Bureau, Michigan Department of Commerce, Post Office Box 30226, Lansing, Michigan 48909, or by phoning toll free (in Michigan): 1-800-292-2520, or (out of state): 1-800-348-5456.

DNR Says Memorial Day Weekend

One of Best in Recent History

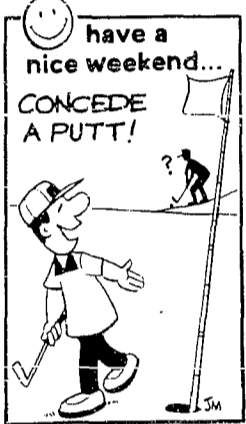

LANSING—This past Memorial Day weekend was one of the best in recent state park history, the Department of Natural Resources says. Good weather, few problems, and thousands of satisfied state park visitors contributed to its success.

DNR Parks Division Chief Jack Butterfield says park use was at capacity in the Lower Peninsula state parks. Only nine campgrounds in the Lower Peninsula reported any vacancies. Heelt near Rogers City, Alpha near Cheboygan, and Cheboygan in Cheboygan. Sterling State Park near Monroe, which opened its swimming area for the first time in several years, had turnaway crowds.

Silver Lake State Park dune buggy area near Hart had long lines of vehicles waiting at the entrance to the dunes.

Despite capacity crowds, at both day use facilities and campgrounds, there were very

few arrests, accidents, or incidents, Butterfield says. Park users were well behaved, adhered to the rules, and generally respected the rights of each other.

Road Commission Minutes

June 9, 1978

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Vice Chairman, Ervin E. Richter presiding. Present: Ervin E. Richter, Grover Cason, Secretary Lorna Bernard, Engineer Ron Henke, and Chairman Millikin was in the afternoon session only.

The minutes from the previous meeting were approved with the exception of an addition of two final drafts that were previously approved. One was for Mr. Keir's final pay, including vacation and sick pay (that was effective until June 1, 1978) in the amount of \$7,335.50 - also a check for Yockey Construction Company in the amount of \$5,534.38 for the final billing for their construction of Wakeley Bridge Road.

Mr. Prough from the Ohio National Guards appeared before the Board, wanting permission to use one of our bridges for simulated exercises. The Board discussed the choice of bridges and Mr. Prough then decided to use one of Kalkaska's, as there would not be the traffic hazard on their bridge as there would be in this area.

John McLeod, in charge of stock, appeared before the Board to discuss the problems of requisitions and the use of purchase orders. Some of the problems to be discussed when a full board is in session.

Ed Durgo of South Branch Township appeared before the Board, regarding a plat of land in South Branch Township that is now being maintained by the Road Commission. He wanted to know about upgrading the roads at Pioneer and Willow. The Board suggested that our Engineer, Ron Henke, go out and see what the problems are in this area.

Mr. Bob Helme from the DNR called and spoke with Comm. Richter and Comm. Cason requesting an appointment for June 16, 1978, to review with the board the proposed abandoned roads in Hartwick Pines that were unable to be inspected last year due to the weather.

Meeting adjourned for lunch.

The meeting was again called to order by E. Richter for the afternoon session.

Mr. LeRoy Millikin entered the meeting, at this time Tom Davis from Kent and Davis Attorney Law Office, representing Mr. and Mrs. Blossom on Eagle Street, are requesting a temporary and conditional easement. Mr. Davis is to draw up the proper papers to bring before the board with the legal description of the property.

Mrs. George Bender and John Misfud of Portage Lake Park, appeared before the board regarding her property and an alley that is to be moved. She will be sending letters to the Road Commission and to the Township requesting the movement of the existing alley. Ron Henke asked the board about pipe replacement on Wakeley Bridge Road, and the board approved the replacement and told Ron to order the pipe needed for the project.

Cliff Henderlong and Norm Feldhauser appeared before the board, regarding the equipment and the keeping of records for preventative maintenance on each piece of equipment. Cliff is to put together with the office staff on making of files to keep a perpetual maintenance record on each piece of equipment.

Norm Feldhauser and Cliff Henderlong asked the board what they wanted to do with the three International trucks that are not being used at this time, and the board instructed Lorna Bernard to put the trucks up for bid. The trucks being: one International, 1964; and two International dump trucks, 1971.

Harry Canfield has requested that he be allowed to cut the hay at the corner of M-93 and 612, in return for him storing the snow for the commission. The board stated that this year, Harry could continue this practice.

At this time, Lorna Bernard said that one of the problems that John McLeod was having with requisition forms, was that there was no one else authorized to sign them while she was in meetings or out of the office. Motion was made by Chairman Millikin, supported by Comm. Richter that Pauline Halford, and/or Jennie Annis be allowed to sign the forms in her stead. All in favor, motion carried.

A motion was made by Chairman Millikin to approve the payment of the deposit on the bituminous surfacing of the roadway at the intersection of Merrio Road and North Higgins Lake Drive, in the amount of \$2,300.00. The motion was seconded by Comm. Cason, all voted in favor, motion carried.

A motion was made by Comm. Richter to accept the state bid of the pavement marking on the primary roads in the amount of \$30,100.00. This amount is to be paid by the state. Motion was seconded by Comm. Cason, all voted in favor, motion carried.

There being no further business, Mr. Cason made a motion to adjourn. It was seconded by LeRoy Millikin, all in favor. Meeting adjourned.

LeRoy Millikin, Chairman
Lorna Bernard, Secretary

City Council Proceedings

Regular meeting of the City Council held Monday, June 12, 1978 at 7:30 p.m.

The meeting was called to order by Mayor McEvers at 7:30 p.m. Members present: Failing, Johnson, McEvers and Golnick. Members absent: Thompson. Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Nelson A. Miles, City Attorney; Patricia Schreiner, Donna St. Germain; Jackie Bonkowski, Otsego Herald Times; Walt Nowak, Grayling Regional Chamber of Commerce and Ernest Dawson, Downtown Businessmen's Association.

Motion by Golnick, supported by Johnson that the minutes of the meeting of May 22, 1978 be approved as presented. Ayes: 4. Nays: 0. Absent: 1, motion carried.

Citizens who wished to speak:

Mr. Dawson thanked Mayor McEvers and City Manager Morford for their help and suggestions for the Mini-parks in the downtown area. He also stated that the downtown merchants need someone to help and oversee development of a parking facility for the downtown area. Mr. Nowak said that there is a possibility of Federal Funds being available for financial aid.

Mr. Morford introduced Ms. Donna St. Germain who is working as a student intern in the City Office during the summer as part of her senior year at Central Michigan University where she is studying Political Science and Public Administration.

Communications were received and noted:

From Sports Car Club of Ann Arbor re: Success of 1978 Twenty Stages Rally.

From DNR re: Grayling Country Club land trade. Mr. Morford recommended that Council inform the DNR that the Zoning Board has an objection to the Country Club obtaining this land.

From Police Chief Stephan re: Future parades.

From Larry Hunter re: City property assessing contract. (Mr. Golnick left due to a fire call.)

From Russell Scholten of the Michigan State Police re: Curve signs on State and Maple Streets near the back bridge. The signs are on order and will be installed when received. (Mr. Golnick returned to the meeting.)

From COOR Intermediate School District re: Contract for water and sewer billings. Motion by McEvers, supported by Failing that Council authorize the City Manager to enter into a contract with COOR for processing of the 1978-79 water billing. Ayes: 4. Nays: 0. Absent: 1, motion carried.

Old Business:

A formalized personnel policy manual was discussed. Mr. Morford explained the reasoning behind the preparation of the manual and recommended its adoption effective July 1, 1978.

Mr. Thompson was now present.

Motion by McEvers, supported by Thompson that the proposed personnel policy manual, as amended, be adopted and supplied to all City employees and future employees. Ayes: 5. Nays: 0, motion carried.

Discussion was held on the proposed 1978-79 fiscal budget. Motion by McEvers, supported by Johnson that the proposed 1978-79 fiscal budget be adopted with the millage set at 14.0 mills operational and 5 mills for debt reduction. Ayes: 5. Nays: 0, motion carried. Note: This is a two mill reduction from the 1977-78 budget for operations.

Possible expansion of the industrial park was discussed. Mr. Morford stated that the City has been negotiating with the DNR for an exchange of property. He has had some communication that there is a possible problem and he asked that he be allowed to delay any further report until he has more information.

New Business:

The City Manager noted that it is necessary for Council to select a voting delegate to the annual MML Conference which will be held in September. Motion by Thompson, supported by Failing that Mr. Golnick be designated as the voting delegate with Mr. Morford as the alternate delegate. Ayes: 5. Nays: 0, motion carried.

The City Manager reported that there is a possibility of expanding one of our CETA projects by the transfer of some employees from another unit program which is phasing out.

Reports of Councilmen:

Mr. Golnick moved that Council enter executive session to discuss a personnel problem at 8:35 p.m. Motion was supported by McEvers. Ayes: Failing, Thompson, Johnson, Golnick, McEvers. Nays: 0, meeting resumed at 9:20 p.m.

Reports of City Manager:

Bill submitted to Crawford County in amount of \$477.37 for recall election expenses. County has refused to accept the invoice. Invoice will be cancelled.

Advertisement for various city boards and commissions. The City has received very little response.

Adjournment:

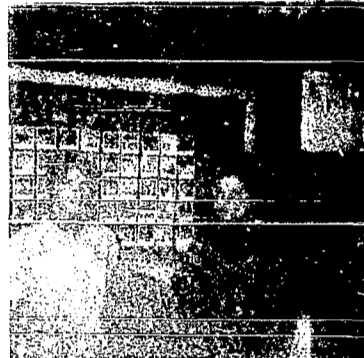

Motion by Golnick, supported by Johnson that the meeting be adjourned. Ayes: 5. Nays: 0, motion carried. Meeting adjourned at 9:30 p.m.

Jerry W. Morford, City Manager and Clerk

NEW MONEY MAKERS

SIX MONTH "MOVING RATE" CERTIFICATES
These new "moving rate" certificates require a minimum deposit of \$10,000 with a six month maturity. Rates will be computed at 1/4 of 1% above the average yield for six month Treasury Bills which are set at weekly intervals.

EIGHT YEAR 8% CERTIFICATES
The new 8% Per Annum Certificates require a minimum deposit of \$5,000 for a term of eight years from the date of deposit. If left to maturity, your rate of return will result in an effective annual yield of 8.24%.

\$100,000 "FLEXIBLE TERM" CERTIFICATES
The \$100,000 "Flexible Term" Certificate requires a minimum deposit of \$100,000 or more and lets you choose a term of between 30 to 365 days. The rate of return is determined each day, based on the length of time you wish to keep your funds on deposit.

Please note that these certificates are not variable or floating rate certificates... but rather a non-negotiable six month certificate at a fixed rate. The rate of return you receive will depend on the yield for six month Treasury Bills at the time of your investment.

Art Fair

(Continued from page 1)

On display and for sale will be stoneware pottery, paintings, stained glass, sculpture, wood carvings, jewelry, weaving and photography.

Artists invited to display their works come from Michigan, Ohio, Wisconsin, Illinois, Tennessee, and other parts of the country.

Included in the festivities will be demonstrations of wheel-thrown pottery, jewelry making, painting, weaving and dulcimer makings.

The fair is planned to take place outdoors but will go under cover at Logan's Landing in the event of rain.

World War II

For each 15,000-man infantry division being moved to a port of embarkation for overseas duty during World War II, American railroads had to provide 48 passenger trains of 16 cars and two kitchen cars — plus 20 freight trains of 50-to-60 cars.

Sweet Adelines Activities

Mid-Mitten Chapter held their weekly rehearsal Wednesday, June 15th, at St. Elizabeth Episcopal Church Parish Hall. Part of the evening was spent in sectional rehearsal and then we practiced for our July sing-outs, brushing up on choreography. Our new members, Carol Hook, Opal Phillips and Paula Youngberg were doing fantastic!!!

We were happy to have Debbie Harvey visit us last week so nice to find a girl who can learn a part so rapidly ... and haritone at that. We sure hope she enjoys singing with us and returns.

The Chapter recently presented a Music Scholarship to Pat Walker of the Roscommon School. We were disappointed that no girl from the Houghton Lake School or Grayling School was interested in attending a music school this summer. Hopefully next year all three schools will be sending a girl to a Music School who can benefit from our Scholarships.

Quality Construction
for better performance, longer life.

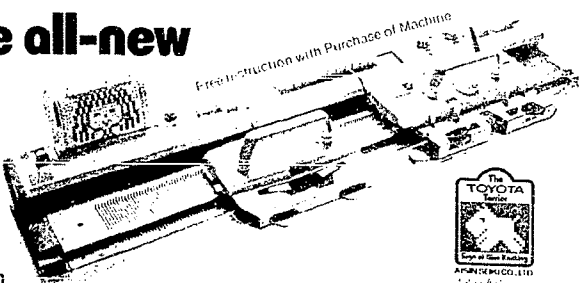

1. Automatic Thermostat Damper control by a built-in sensitive burner flaps and regulates the amount of combustion air needed to maintain the optimum level of heat.
2. Patented Downdraft System pulls air from an outside source, complete combustion and heat goes directly to heating area.
3. Dual Primary Air Intakes above burner gases escape even burning along its full length. This feature also eliminates hot spots and extends the life of the heater.
4. Cast Iron Firebox Liners are used for heat retention and maximum heat transfer.
5. Cast Iron Grates are cast with heavy duty cast iron grates to support the fire and prevent the fire from falling out.
6. Cast Iron Flue Collar is used to prevent heat loss from the heater and to prevent the flue from sagging.
7. Cast Iron Feed and Ash Door Frames are used to prevent warping and to provide a tight seal with the door and to prevent the door from sagging.
8. Cast Iron Feed and Ash Doors are used to prevent heat loss from the heater and to prevent the door from sagging.
9. Patented Secondary Air Intake system draws air from the room and preheats it before it enters the firebox, thus increasing the efficiency of the burning process and reducing the amount of heat lost.
10. Large Capacity Ash Drawer.
11. Double Wall Cast Iron Door and top and bottom are constructed of heavy cast iron and are fireproof.
12. Furniture grade of the cabinet blends with any decor and is finished in a rich color.
